EXPLANATION

See Adams Beach below. The key is E-15. Open the map and draw an imaginary line from the letter E and the number 15 on the margins of the map; the intersection of these lines locate the grid square containing Adams Beach. The index key numbers 30 through 58 are on the maps located on the reverse side.

PRACTICALLY synonymous with the Florida has played the gracious host since Leon arrived in 1513 searching for the Fountain of Youth. Unknowingly, the Spaniards set the precedent. Many travelers, whether in winter or just seeking relaxation, choose Florida first.

Although unfairly cast as a land of roaring surf, sunglasses and glitzy Florida's resort towns—Daytona, West Miami Beach, Fort Myers and St. Petersburg are familiar to the tourist as the unique Florida itself. But there is more. Inland, sports game in Apalachicola National Forest, the unconquered Everglades. The many
